

Hankelow Neighbourhood Plan

and these are just some of the comments you have made

As well...

You said..

"About The Neighbourhood Plan"

"The neighbourhood plan is a wonderful idea... anything to make the village a happy environment should be encouraged..."

"The Parish Council needs to be more aware of planning guidelines"

"Housing design should complement rural, non-urban environment..."

"Housing should be small 2-3 bedroom for families and 1st time buyers"

"No more than 20 houses by 2030"

"About Housing"

"There is sufficient housing already"

"Little regard for needs or requirements - unwanted light and noise pollution, lack of mains drainage..."

"Why not opt for a maximum no. of dwellings by 2030 rather than a yearly average..."

"We should not be held to an affordable housing target..." "Roads are not suited to future development"

"About Roads"

"Hall lane cannot cope with the volume and speed of the traffic..."

"Traffic is too fast and increasingly endangering pedestrians..."

"Access, infrastructure and parking are very important"

"Hall lane is becoming increasingly dangerous"

"Resources are already stretched - Oil, Water, Schools, Doctor, Roads..... Sewage, Gas?, Light pollution"

"Supporting the local pub as a centre to the community is important to us"

"Hankelow should stay a small hamlet type village."

"About Hankelow"

"Maintaining a quite and friendly village and a habitat for wildlife"

"The natural and historic environment of Hankelow rates highly with me..."

"Keep the environment safe and available for future generations to enjoy"

"Sustaining small businesses in the community"

"Keep the village small and the village green unspoilt"

"About The Area"

"Endeavour to keep a friendly recreational environment for the younger population"

"Jobs and the economy are important to us"

"a good community to raise children is important"

"safety and quality of life for children and family..."

"A major concern is the lack of mains drainage"
